
Projects (Most are CPGs)

1. RIGHT (Reporting Items for Practice Guidelines in Healthcare) Working Group. A Reporting Tool for Practice Guidelines in Health Care: The RIGHT Statement. *Annals of Internal Medicine*, 2017. Project lead: Yaolong Chen. **My role: Member of the RIGHT Working Group.**
2. Expert Committee of the Chinese Guideline for the Prevention and Treatment of Thrombotic Diseases. Chinese Guideline for the Prevention and Treatment of Thrombotic Diseases. *National Medical Journal of China*, 2018. Project leads: Runlin Gao, Chen Wang, and Guixing Qiu. **My role: Member of the evidence evaluation group.**
3. Pulmonary Embolism and Pulmonary Vascular Disease Group, Chinese Thoracic Society; Pulmonary Embolism and Pulmonary Vascular Disease Working Committee, Chinese Medical Doctor Association; National Collaboration Group for the Prevention and Treatment of Pulmonary Embolism and Pulmonary Vascular Diseases. Guideline for the Diagnosis, Treatment, and Prevention of Pulmonary Thromboembolism. *National Medical Journal of China*, 2018. Project lead: Chen Wang. **My role: Member of the evidence evaluation group.**
4. Chinese Society of Rheumatology, Chinese Medical Association. 2018 Chinese Guideline for the Diagnosis and Treatment of Rheumatoid Arthritis. *Chinese Journal of Internal Medicine*, 2018. Project lead: Xiaofeng Zeng. **My role: Member of the evidence evaluation group.**
5. Chinese Society of Reproductive Medicine, Chinese Medical Association. Chinese Practice Guideline on Assisted Reproductive Technology Strategies for Women with Advanced Age. *Chinese Journal of Evidence-Based Medicine*, 2019. Project leads: Huan Shen and Yingpu Sun. **My role: Drafting expert.**
6. National Center for Cardiovascular Diseases; Cardiovascular Committee of the Chinese Nursing Association; Cardiovascular Committee of the Beijing Nursing Association; Nursing Theory and Practice Research Center, Chinese Academy of Medical Sciences and Peking Union Medical College; Lanzhou University Evidence-Based Medicine Center. Development of a Nursing Practice Guideline for Emergency Percutaneous Coronary Intervention. *Chinese Journal of Nursing*, 2019. Project leads: Yunxia Hao and Qingyin Li. **My role: Member of the guideline development group.**
7. Encephalopathy Branch of China Association of Chinese Medicine; Encephalopathy Committee of Guangdong Association of Chinese Medicine; Stroke Committee of Guangdong Association of Integrated Traditional Chinese and Western Medicine. Evidence-Based Practice Guideline on Integrative Medicine for Stroke 2019. *Chinese Journal of Evidence-Based Medicine*, 2020. Project leads: Yefeng Cai and Yaolong Chen. **My role: Academic secretary of the guideline secretariat.**
8. Chinese Society of Endocrinology, Chinese Medical Association. Guideline for the Diagnosis and Management of Hyperuricemia and Gout in China (2019). *Chinese Journal of Endocrinology and Metabolism*, 2020. Project lead: Changgui Li. **My role: Member of the guideline development working group.**
9. Pulmonary Embolism and Pulmonary Vascular Disease Group, Chinese Thoracic Society; Pulmonary Embolism and Pulmonary Vascular Disease Working Committee, Chinese Medical Doctor Association; National Collaboration Group for the Prevention and Treatment of Pulmonary Embolism and Pulmonary Vascular Diseases. Recommendations for the Prevention and Treatment of Venous Thromboembolism Associated with COVID-19 (Trial Implementation). *National Medical Journal of China*, 2020. Project leads: Zhenguo Zhai, Chenghong Li, and Chen Wang. **My role: Literature screening researcher and member of the evidence evaluation group.**
10. Chinese Guideline Development Working Group for Pediatric OSA; Pediatric Group of the Chinese Society of Otorhinolaryngology Head and Neck Surgery, Chinese Medical Association; Respiratory Group of the Chinese Society of Pediatrics, Chinese Medical Association; Chinese Society of Pediatric Surgery; Editorial Board of Chinese Journal of Otorhinolaryngology Head and Neck Surgery. Chinese Guideline for the Diagnosis and Treatment of Childhood Obstructive Sleep Apnea (2020). *Chinese Journal of Otorhinolaryngology Head and Neck Surgery*, 2020. Project lead: Xin Ni. **My role: Member of the secretariat, namely the evidence synthesis and evaluation group.**
11. Chinese Society of Rheumatology, Chinese Medical Association; National Clinical Research Center for Skin and Immune Diseases; Chinese Systemic Lupus Erythematosus Research Collaborative Group. 2020 Chinese Guidelines for the Diagnosis and Treatment of Systemic Lupus Erythematosus. *Chinese Journal of Internal Medicine*, 2020. Project lead: Xiaofeng Zeng. **My role: Member of the evidence evaluation group.**
12. Expert Committee of the Thrombosis and Vascular Disease Special Fund, China Health Promotion Foundation. Chinese

Project leads: Peifu Tang, Zhong Chen, and Hongyan Tian. **My role: Member of the consensus development expert group.**

13. National Clinical Research Center for Child Health; Children's Hospital of Chongqing Medical University; and others. Rapid Advice Guidelines for Management of Children with COVID-19. Annals of Translational Medicine, 2020. Project leads: Enmei Liu and Rosalind Louise Smyth. **My role: Member of the rapid evidence evaluation group.**
14. Chinese Guideline Development Working Group for Pediatric OSA; Pediatric Group of the Chinese Society of Otorhinolaryngology Head and Neck Surgery, Chinese Medical Association; Respiratory Group of the Chinese Society of Pediatrics, Chinese Medical Association; Chinese Society of Pediatric Surgery; Editorial Board of Chinese Journal of Otorhinolaryngology Head and Neck Surgery. Chinese Guideline for the Diagnosis and Treatment of Childhood Obstructive Sleep Apnea. World Journal of Otorhinolaryngology - Head and Neck Surgery, 2021. Project lead: Xin Ni. **My role: Member of the evidence synthesis and evaluation group.**
15. Hematology Group of the Chinese Society of Pediatrics, Chinese Medical Association; Editorial Board of Chinese Journal of Pediatrics; Working Group for the Adapted Guideline for the Diagnosis and Treatment of Childhood Primary Immune Thrombocytopenia. Adapted Guideline for the Diagnosis and Treatment of Primary Immune Thrombocytopenia for Chinese Children (2021). Chinese Journal of Pediatrics, 2021. Project lead: Runhui Wu. **My role: Member of the evidence synthesis and evaluation group.**
16. Clinical Pharmacology Group of the Chinese Society of Pediatrics, Chinese Medical Association; National Clinical Research Center for Child Health; Respiratory Group of the Chinese Society of Pediatrics, Chinese Medical Association; Pediatric Respiratory Committee of the Chinese Medical Doctor Association; Editorial Board of Chinese Journal of Pediatrics. Clinical Practice Guidelines for the Diagnosis and Management of Children with Cough in China (Version 2021). Chinese Journal of Pediatrics, 2021. Project leads: Enmei Liu and Quan Lu. **My role: Member of the guideline secretariat.**
17. Chinese Society of Respiratory Diseases, Chinese Medical Association; Respiratory Physicians Branch of the Chinese Medical Doctor Association. Guidelines for the Diagnosis, Treatment, and Prevention of COVID-19 in Adults in China. National Medical Journal of China, 2021. Project leads: Chen Wang, Jieming Qu, and Bin Cao. **My role: Member of the guideline methodology group.**
18. Pulmonary Embolism and Pulmonary Vascular Disease Group of the Chinese Thoracic Society; Pulmonary Embolism and Pulmonary Vascular Disease Working Committee of the Chinese Medical Doctor Association; National Collaboration Group for the Prevention and Treatment of Pulmonary Embolism and Pulmonary Vascular Diseases; Expert Group of the National Pulmonary Hypertension Standardization System Development Project. Guideline for the Diagnosis and Treatment of Pulmonary Hypertension in China (2021 Edition). National Medical Journal of China, 2021. Project leads: Zhenguo Zhai and Chen Wang. **My role: Member of the evidence evaluation group.**
19. Guidelines and Standards Research Center, Chinese Medical Association Publishing House; WHO Collaborating Centre for Guideline Implementation and Knowledge Translation. Evaluation Report on Guidelines Published in the Series of Journals of the Chinese Medical Association in 2020. National Medical Journal of China, 2021. Project leads: Yaolong Chen and Junmin Wei. **My role: Member of the methodology evaluation group.**
20. National Clinical Research Center for Geriatric Diseases; Xiangya Hospital, Central South University; Institute of Health Data Science, Lanzhou University. Practical Guideline for the Management of Clinical Alarms in Multiparameter Patient Monitors (2020 Edition). Chinese Nursing Management, 2021. Project leads: Liqing Yue and Yaolong Chen. **My role: Member of the evidence group.**
21. Guidelines and Standards Research Center, Chinese Medical Association Publishing House; Research Unit of Evidence-Based Evaluation and Guidelines, Chinese Academy of Medical Sciences; WHO Collaborating Centre for Guideline Implementation and Knowledge Translation. Evaluation of the Scientific Rigor, Transparency, and Applicability of Chinese Guidelines and Consensus Statements Published in Medical Journals in 2021. National Medical Journal of China, 2022. Project leads: Yaolong Chen and Junmin Wei. **My role: Member of the methodology rating group.**
22. Standardization Project Group for Clinical Practice Guidelines for the Clinical Application of Chinese Patent Medicines in Dominant Diseases. Clinical Practice Guideline for the Clinical Application of Chinese Patent Medicines in Heart Failure (2021). Chinese Journal of Integrated Traditional and Western Medicine, 2022. Project lead: Jingyuan Mao. **My role: Evidence-based methodology expert.**

-
23. Nephrology Group of the Chinese Society of Pediatrics, Chinese Medical Association; Editorial Board of Chinese Journal of Pediatrics; National Clinical Research Center for Child Health. Clinical Practice Guideline for Early Screening of Pediatric Chronic Kidney Disease in China (Version 2021). Chinese Journal of Pediatrics, 2022. Project leads: Aihua Zhang and Qiu Li. **My role: Methodology expert acknowledged in the article.**
 24. Guidelines and Standards Research Center, Chinese Medical Association Publishing House; Research Unit of Evidence-Based Evaluation and Guidelines, Chinese Academy of Medical Sciences; WHO Collaborating Centre for Guideline Implementation and Knowledge Translation. Development of a Rating Tool for the Scientific Rigor, Transparency, and Applicability of Clinical Practice Guidelines. National Medical Journal of China, 2022. Project leads: Nan Yang and Yaolong Chen. **My role: Research participant.**
 25. Chinese Expert Consensus Group for the Evidence-Based Management of Primary Central Nervous System Lymphoma. Evidence-Based Expert Consensus on the Management of Primary Central Nervous System Lymphoma in China. Journal of Hematology & Oncology, 2022. Project leads: Tong Chen and Yuanbo Liu. **My role: Member of the evidence evaluation group.**
 26. National Clinical Research Center for Child Health; Children's Hospital of Chongqing Medical University; and others. Guidelines for the Prevention and Management of Children and Adolescents with COVID-19. European Journal of Pediatrics, 2022. Project leads: Enmei Liu and Yaolong Chen. **My role: Member of the evidence synthesis and evaluation group.**
 27. Guidelines and Standards Research Center, Chinese Medical Association Publishing House; Research Unit of Evidence-Based Evaluation and Guidelines, Chinese Academy of Medical Sciences; WHO Collaborating Centre for Guideline Implementation and Knowledge Translation; STAR Working Group. Evaluation of the Scientific Rigor, Transparency, and Applicability of Chinese Guidelines and Consensus Statements Published in Medical Journals in 2022. National Medical Journal of China, 2023. Project leads: Yaolong Chen and Junmin Wei. **My role: Member of the secretariat.**
 28. Kidney Disease Prevention and Control Committee, Chinese Preventive Medicine Association. Guidelines for the Early Evaluation and Management of Chronic Kidney Disease in China. Chinese Journal of Internal Medicine, 2023. Project leads: Minghui Zhao and Luxia Zhang. **My role: Member of the evidence evaluation group.**
 29. Chinese Medical Doctor Association Dermatologist Branch; Chinese Society of Dermatology, Chinese Medical Association; Xijing Hospital, Air Force Medical University; Chinese Dietary Guideline for Patients with Psoriasis Task Force. Dietary Guideline for Patients with Psoriasis in China (2023). Chinese Journal of Dermatology, 2023. Project lead: Gang Wang. **My role: Member of the evidence evaluation group.**
 30. Critical Care Medicine Branch of the Chinese Society of Health Information and Health Medical Big Data; Critical Care Medicine Committee of the Beijing Society of Oncology. Chinese Expert Consensus on the Application of Intensive Care Big Data (2022). National Medical Journal of China, 2023. Project lead: Yun Long. **My role: Member of the consensus development expert group.**
 31. Osteoporosis Society of China Association of Gerontology and Geriatrics; Osteoporosis Society of China International Exchange and Promotive Association for Medical and Health Care; Osteoporosis Prevention and Rehabilitation Committee of the Chinese Association of Rehabilitation Medicine; Research Group on Prevention and Control Technology of Common Clinical Problems in the Elderly. China Guideline for the Diagnosis and Treatment of Senile Osteoporosis (2023). Chinese Journal of Bone and Joint Surgery, 2023. Project leads: Liang Wang, Tianzun Tao, Peifu Tang, Ping Zhu, Huilin Yang, and Chunlin Li. **My role: Methodology expert.**
 32. Varicella Vaccine Expert Group. Expert Consensus on Varicella Vaccine Immunization in China. Chinese Journal of Preventive Medicine, 2023. Project leads: Dapeng Yin, Li Lu, and Yanmin Liu. **My role: Member of the expert group.**
 33. National Medical Center for Infectious Diseases (Huashan Hospital, Fudan University); Infectious Disease Prevention and Control Branch of the Chinese Preventive Medicine Association. Mpox Prevention Guideline for the Public (2023). National Medical Journal of China, 2023. Project leads: Wenhong Zhang and Zhiliang Gao. **My role: Member of the evidence evaluation group.**
 34. National Clinical Research Center for Child Health; Children's Hospital of Chongqing Medical University; and others. Evidence-Based Guideline for Neonatal Pain Management in China (2023). Chinese Journal of Contemporary Pediatrics, 2023. Project leads: Xianlan Zheng and Yuan Shi. **My role: Member of the methodology group.**
 35. Immunology Group of the Chinese Society of Pediatrics, Chinese Medical Association; National Clinical Research Center

for Child Health; Editorial Board of Chinese Journal of Pediatrics. Expert Consensus on Newborn Screening of T-Cell Receptor Excision Circles and (or) Kappa-Recombination Excision Circles (2024). Chinese Journal of Pediatrics, 2024. Project leads: Zhiyong Zhang and Xiaodong Zhao. **My role: Member of the expert committee involved in consensus development and review.**

36. Chinese Society of Endocrinology, Chinese Medical Association. 2024 Update of Chinese Guidelines for Diagnosis and Treatment of Hyperuricemia and Gout. Part I: Recommendations for General Patients. Chinese Journal of Endocrinology and Metabolism, 2025. Project leads: Changgui Li and Jiajun Zhao. **My role: Acknowledged contributor.**

37. Chinese Society of Endocrinology, Chinese Medical Association. Clinical Practice Consensus Statement 2025: Management of Hyperuricemia and Gout in Adolescents. Chinese Journal of Endocrinology and Metabolism, 2025. Project leads: Changgui Li and Chaohui Lü. **My role: Member of the management team acknowledged in the article.**

38. Chinese Pharmacists Association Drug Clinical Evaluation Working Committee and other multidisciplinary experts. Evidence-Based Expert Consensus on the Clinical Application and Pharmaceutical Management of Antibody-Based Drugs for the Treatment of Myasthenia Gravis. China Pharmacy, 2026. Project leads: Rong Duan and Zhengxiang Li. **My role: Member of the consensus expert group.**

39. Pharmaceutical Specialized Committee of the Chinese Hospital Association; Pharmaceutical Information Expert Committee, National Institute of Hospital Administration, National Health Commission; Bioinformatics and Artificial Life Committee, Chinese Association for Artificial Intelligence; and other multidisciplinary experts. Multidisciplinary Expert Consensus on Application Scenarios and Prompt Design of Generative Artificial Intelligence in Hospital Pharmacy (2025). Herald of Medicine, 2026. Project leads: Rongsheng Zhao and Dong Liu. **My role: Drafting expert and member of the evidence integration group/secretariat.**

40. Chinese Pharmaceutical Association Evidence-Based Pharmacy Committee; Pharmaceutical Specialized Committee of the Chinese Hospital Association; Osteoporosis Specialized Committee of the Beijing Research Association for Chronic Diseases Control and Health Education. Medication Therapy of Biological Agents in Osteoporosis: An Evidence-Based Practice Guideline (2025). Chinese Journal of Evidence-Based Medicine, 2026. Project leads: Rongsheng Zhao, Lingli Zhang, and Chunli Song. **My role: Member of the evidence evaluation group/secretariat.**
